TECHNICAL DATA SHEET

Hand Cleaner

High-quality hand cleaner with strong cleaning power.

Technical data

Product line	Clean Line
Industries	Industry, trade, automotive, operations
Use	Manually or via a dispenser
Shelf life	30 months unopened, 12 months after opening
Skin compatibility	Dermatologically tested
Free from	Microplastics, orange terpenes, palm oil, allergens
Abrasive particles	Inorganic material
Storage	At room temperature, protected from sunlight

Properties and benefits

- **Effectively removes dirt** – Reliably removes oils, greases, lubricants and stubborn dirt.
- **Gentle on skin and caring** – With nourishing ingredients – the skin is relieved and cared for during cleaning.
- **Free from microplastics** – Abrasive particles made of inorganic material – without orange terpenes, without palm oils, free from allergens.
- **Dermatologically tested** – For a thorough cleaning and a pleasant, well-cared-for skin feel.
- **Flexible in use** – Can be used manually or via a dispenser.

Application

Apply a hazelnut-sized amount of hand cleaner to the soiled, damp hands and rub thoroughly until the dirt is removed. Then rinse hands carefully with water and dry them. Afterwards, the skin feels pleasant and well cared for.

Storage and shelf life

Store the product at room temperature and protected from direct sunlight. Keep separate from food and out of the reach of children and animals. When stored properly, the product is shelf-stable for 30 months when unopened and 12 months after opening.
